Re: United States v. David Carmona
Docket No. 22-CR-551 (JLR)

Dear Judge Rochon:

I am defense counsel for David Carmona. I am respectfully requesting additional time to respond to the Court regarding my client's request for a *Fatico* hearing.

Pursuant to your honor's order dated April 26th, I was to inform the Court of my decision with respect to a *Fatico* hearing by today, May 8th, after my review of the trial transcripts involving the co-defendants in this case. Please be advised that I only received the trial transcripts two days ago, and they consist of nine separate days of trial. In addition, this week I began the process of picking a jury on a felony case in Kings County Supreme Court in the case of People v. Dario Ramos. For these reasons, I will need additional time to finalize my review and make appropriate decisions with my client regarding same. I am therefore requesting an extension of time to Monday, May 20th. I have discussed this request with AUSA Michael Maimin and the government has no objection.

Thank you for your attention and consideration to the foregoing.

Respectfully submitted,

H. Benjamin Perez, Esq.
